

Financial Literacy Workshop

Join us to gain an overview of financial topics such as:

Types of financial institutions - interest, loans, credit cards, investments, Registered Products, etc.

Budgeting 101 - Learn how to create and maintain a budget.

Loans You Don't Want - payday loans, pawn shop loans, and credit card cash advances, as well as the fees and interest rates of these types of loans.

Building a Healthy Credit History - examines the ways to build good credit and the importance of credit history.

Tuesday, May 28, 3:30 - 7:30 pm
